

“WE’VE GOT THE POWER”

For the next 4 weeks, our series focus will be “We’ve Got The Power”, primarily from the book of Acts. Each week, there will be a different subtopic highlighting different aspects of power.

This week’s focus topics are “The Power to Transform Lives”- Acts 3:1-10 at 7:30AM Broadcast Service, and “The Power of a Father”- Acts 3:13-16 at 10:45AM Service.

This Sunday is Father’s Day, so let’s go above and beyond to show our dad’s how much we love and appreciate them.

Let’s also pray for safe travels and an informative time for those who are traveling to Orlando, FL for the Sunday School and BTU Congress.

God bless.
